Test Prep Information:

Our QAC/QAL Test Preparation courses are designed to help you increase your knowledge and prepare for the Qualified Applicators Certification/Licensing (QAC/QAL) exam.

For the best chance at success, we recommend allowing sufficient time between the test prep and taking DPR's exam in order to study all of the materials adequately. The chances of passing depend greatly on the time and effort dedicated to learning the materials we provide, thus PAPA cannot guarantee that a Test Prep attendee will pass the DPR exam.

Course materials provided:

- Preparation course manual
- Landscape, right-of-way, plant ag, and residential categories will be covered in addition to laws and regulations
- California Department of Pesticide Regulation laws and regulations study guide

Morning coffee and lunch are included in your registration fee.

Early registration is \$225 per person. Late registration begins five days prior to the course date for calls and faxes and is \$260 per person. Mailed-in registrations postmarked seven days or less before the seminar will be required to pay the late registration fee.

How to take the QAL/QAC exam:

You will need to contact DPR's Licensing Department at 916-445-4038 or visit <http://www.cdpr.ca.gov/docs/license/liccert.htm> to obtain the application to take the test. You must file your application with DPR 30 days prior to the testing date. More information is available on DPR's website, www.cdpr.ca.gov.
